### **Δn Odyssey in Every Sip**

Embark on a spirited voyage through ancient myths, windswept isles, and the untamed beauty of the Aegean. Inspired by Homer's *The Odyssey*, this cocktail collection traces the legendary journey of Odysseus and the fantastical world of Greek gods, monsters, and muses.

Each drink is a chapter — a liquid tale — blending artisanal Greek spirits, rare botanicals, and Mediterranean flavours into epic concoctions. From Poseidon's briny depths to the enchanting calls of the Sirens, every creation evokes the essence of a land where history and myth intertwine.

Expect ingredients like Seaweed Wine, Vanilla Ice Cream, Tzatziki infused Tequila, and Mastiha, paired with modern techniques such as fat-washing, milk clarification, and sous-vide infusions — all rooted in timeless storytelling.

Raise your glass, and let the journey begin.
