

Cylla Group Sharing Experience

In Greece, the table has always been more than a place to eat—it is the gathering point of life.

Δ dish in the center was an open invitation—"pare, pare," meaning "take, take"—a gesture of hospitality as old as Greek civilisation itself.

Bread was broken and passed around; grilled fish was served onto each other's plates; and laughter traveled across the table as freely as the wine.

Δt Cylla, our Sharing Experience Menu carries this spirit forward.

Every plate is placed in the middle, as tradition intended, inviting everyone to reach in, taste, and connect.

For groups of 7 or more
